When leadership duty calls, will you be ready?

Plan now to prepare for your future!

Dear Parents and Students,

In the past three summers, I have taken groups of committed students to Student Leadership University with the goal to train students to be strong Christian leaders in the 21st century. This conference had a major impact on these students' lives. I would love to make this opportunity available to more students in 2012. "Student Leadership University is hailed by parents, youth ministers, teachers, and students as the nation's premiere leadership training program with a distinctively Christian worldview for students in ninth grade through college. We believe that students can walk confidently through the transition into adulthood if given the information, inspiration, and tools to do so." See www.studentleadership.net for more details.

Please note that each year of SLU is a prerequisite for subsequent years. For example, SLU 101 is a prerequisite for SLU 201, and SLU 201 is a prerequisite for SLU 301, etc.

We have until **January 11, 2012**, to register for 101 and 201 with a \$100 deposit; and students have until **December 14, 2011**, to register for 301 and 401 with a \$350 deposit. We will have information available in the near future regarding fundraising opportunities for these events.

If you have any questions, please contact Jolene in the High School Student Ministry Office at 540-898-0757, Ext. 25, or by email at jmacfarlane@spotswood.org. This is an incredible leadership conference that will impact your life in an amazing way.

By God's Grace Alone,

Pastor Rick Nicely
